15. QUALITY CONTROL AND INSPECTION: All items and workmanship utilized in the performance of this Order will be subject to inspection and test by Buyer and its customers to the extent practicable at all times and places including the period of manufacture. If any such inspection or test is made on Supplier's premises, Supplier will provide, without additional charge, all reasonable facilities and assistance for sale and convenient inspections and tests. Inspection and approval at Supplier's plant does not preclude rejection of any defects subsequently discovered. Supplier will provide and maintain, without additional charge, a test and inspection system (which shall include quality control and reliability procedures) acceptable to Buyer covering the items and workmanship hereunder. If Buyer reasonably determines that any items covered by this Order are defective or otherwise not in conformity with the requirements of this Order, Buyer, by written notice to Supplier, may (a) rescind this Order as to such items, (b) accept such items at an agreed reduction in price, (c) retain and correct the defects or non-conforming aspects of such items or (d) reject such items and require the delivery of replacements. The rights granted to Buyer under this paragraph are in addition to any other rights or remedies provided elsewhere in this Order or by law. At Buyer's option, the Buyer may make a surveillance of the Supplier's inspection, quality control and reliability procedures as well as the data supporting same. Supplier shall comply with the latest revisions of Buyers Quality Control Specifications and Inspection Standards as supplied by Buyer to Supplier from time to time. Supplier will, if requested by Buyer, furnish a certificate indicating such compliance. Acceptance of the Services or Goods by Buyer shall not relieve Supplier from any of its obligations and warranties under this Order. In no event shall payment be deemed to constitute acceptance by or on behalf of Buyer.

16. SETOFF: All claims for money due or to become due from Buyer shall be subject to deduction or setoff by the Buyer by reason of any counterclaim arising out of or relating to this Order or any other transaction with Supplier.

17. CANCELLATION ON ACCOUNT OF INSOLVENCY OR BANKRUPTCY: Buyer may cancel this Order without liability in the event of insolvency, bankruptcy, reorganization, arrangement, receivership or liquidation by or against Supplier or if Supplier makes an assignment for the benefit of creditors or ceases to carry on business in the ordinary and normal course.

18. TERMINATION: (a) Buyer may terminate this Order in whole or in part at any time by written or telegraphic notice stating the extent and effective date of such termination. Upon receipt thereof, Supplier will to the extent directed by the Buyer: stop work under this Order and place no further orders hereunder; terminate work under outstanding orders which relate to work terminated by such notice; and protect property in Supplier's possession in which Buyer has or may acquire an interest. Supplier will submit to Buyer its claim, if any, as soon as possible, but in any event not later than thirty (30) days (unless Buyer agrees otherwise) from the effective date of termination. Supplier hereby gives Buyer the right to audit and inspect its books, records and other documents relating to its termination claim. Unless otherwise authorized in writing by Buyer, Supplier shall not make commitments for materials or fabricate in advance of the time necessary to permit shipment on delivery date. Buyer shall in no event be liable or responsible for any such costs or amounts incurred by Supplier in breach of this provision.

(b) If the parties cannot agree within a reasonable time upon the amount of fair compensation for such termination, Buyer will, in addition to making prompt payment of the contract price for the Services or Goods performed or delivered and accepted by Buyer prior to the effective date of termination, pay to Supplier the following amounts, without duplication: the contract price for Services performed or Goods completed in accordance with the provisions of this Order but not previously paid for; and the actual costs incurred by Supplier and properly allocable or apportionable under recognized commercial accounting practices to the terminated portion of this Order.

(c) Supplier may with Buyer's consent retain at an agreed price or sell at an approved price any completed Services, Goods, work in process or other physical inventory, the cost of which is allocable or apportionable to this Order under paragraph (B) (ii) above, and will credit or pay the amounts so agreed or received as Buyer directs, with appropriate adjustment for delivery cost savings. Supplier will, if directed by Buyer, transfer title to and make delivery of any Services, Goods, work in process or other physical inventory not so retained or sold. Buyer reserves the right to terminate this Order in whole or in part for default occasioned by failure on the part of Supplier to perform in accordance with the requirements of this Order. Such termination will be without liability except for completed Services performed or Goods delivered and accepted by Buyer. Supplier will be liable for damages caused by or resulting from its default.

19. ASSIGNMENT: Supplier will not assign this Order or any portion thereof or work hereunder or any interest therein except to the extent that Supplier may, upon the prior written consent of Buyer, make an assignment of monies due or which may become due, hereunder to a bank, trust company or other financing institution; provided, however, that any such assignment shall be subject to setoff, recoupment or any other lawful means of enforcing any present or future claim or claims which Buyer may have against Supplier, and provided, further, that any such assignment will not be made to more than a single assignee. In the event of any such assignment, Supplier will provide to Buyer, in addition to written notice of the assignment, a true copy of the instrument of assignment for Buyer's information only and, notwithstanding such receipt by Buyer, such notice of assignment and/or instrument of assignment shall not be deemed to vary or contradict the preceding provisions of this paragraph. Buyer shall have the right to assign this Order or its Interest therein to any affiliated person, firm, company or corporation or to any corporation succeeding to Buyer's business.

20. INSURANCE: Supplier shall maintain and carry General Liability Insurance including, but not limited to, public liability, property damage liability, product liability and contractual liability coverages, workman's compensation and employees liability insurance covering all employees engaged in the performance of this Order, in amounts satisfactory to and with companies approved by Buyer covering the Services or Goods subject to this Order. Supplier shall procure and maintain, at Supplier's sole expense, insurance with reputable and financially responsible insurance companies having an A.M. Best Company Rating of A- or better. Supplier shall furnish certificates of insurance indicating the foregoing coverage prior to commencing work under this Order. The receipt or review of such certificates or other proof of insurance coverage, if any, by Buyer shall not relieve Supplier from its insurance obligations hereunder or reduce or modify such insurance requirements. Such policies shall provide for cancellation only subsequent to 30 days prior written notice to Buyer.

21. TAXES AND CUSTOMS EXPENSES: Unless otherwise stated in this Order, prices include customs duties and expenses and all Federal, Provincial, State and local taxes applicable to the provision of any Services or the sale of any Goods.

22. DELAY AND NOTICE: If Supplier shall fail or refuse to proceed with this Order, or if Supplier shall fail to make delivery, or if Buyer shall fail to accept delivery according to the delivery schedule, the other party may cancel the remaining balance of this Order, unless the delay is an excusable delay as subsequently defined. An excusable delay shall not constitute a default hereunder. The term "excusable delay" as used in this paragraph means any delay in making or accepting which is due to causes beyond its control including, without being limited to, acts of God or of the public enemy, any preference, priority or allocation order issued by government or any other act of government, any act of the other party hereto, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather, and delays of a Supplier due to such causes. The term "excusable delay" shall not, however, mean or include financial difficulties. Whenever an actual or potential excusable delay is delaying or threatens to delay performance of this Order, each party shall immediately give notice thereof to the other party. Such notice shall include all relevant information with respect to such excusable delay. Buyer may delay delivery or acceptance under this Order occasioned by causes beyond its control, and Supplier shall hold the Services or Goods at the direction of Buyer and shall perform or deliver them when the cause affecting the delay has been removed. Buyer shall be responsible only for Supplier's direct additional costs in holding the Services or Goods or delaying performance of this Order at Buyer's request. Supplier agrees to insert the substance of this paragraph in all purchase orders issued under this Order.

23. COMPLIANCE WITH LAWS: Supplier warrants compliance with all federal, provincial, state and local laws, including any foreign or international laws, ordinances, rules and regulations, and all amendments thereto, that are applicable to this Order and will furnish Buyer with certificates of such compliance where required thereunder or where requested by Buyer. It is also agreed that each invoice rendered to Buyer under this Order shall constitute written assurance by Supplier of the fact that Supplier has fully complied with the applicable laws, ordinances, rules and regulations. Supplier shall package and label the Goods and their containers, in particular those which constitute a health, poison, fire, explosion or other safety hazard, in accordance with all applicable federal, provincial, state, foreign or international and local packaging and labeling laws, ordinances, rules and regulations, and all amendments thereto, in effect in the place to which the Goods are shipped or as specified otherwise by Buyer.

24. REMEDIES: The remedies herein reserved shall be cumulative and not alternative and may be exercised separately or together, in any order or combination, and in addition to any other remedies provided for or allowed by law, at equity or otherwise.

25. PRICE WARRANTY: So long as not prohibited by applicable laws, ordinances, rules or regulations, Supplier warrants that the prices for the Services or Goods sold to Buyer hereunder are not less favorable than those currently extended to any other customer for the same or substantially similar articles in the same or substantially similar quantities. In the event that Supplier reduces its price for such same or substantially similar services or goods during the term of this Order, Supplier agrees to reduce the prices hereof correspondingly. Supplier warrants that prices shown on this Order shall be complete, and no additional charges of any type shall be added without Buyer's express written consent. Such additional charges include, but are not limited to, the cost of shipping, packaging, labeling, custom duties, taxes, storage, insurance, packaging, boxing and crating.

26. NEW MATERIALS: Unless expressly so stated on the face of this Order, none of the Services or Goods to be furnished by Supplier under this Order are, in any way, Government or commercial surplus, used, remanufactured, reconditioned or of such age or condition so as to impair the usefulness or safety thereof.

27. WAIVER: Any party's failure to insist on the performance by the other party of any term or condition hereof or failure to exercise any right or privilege reserved herein or any party's waiver of any breach or default hereunder by the other party shall not, thereafter, waive any other terms, conditions, rights, privileges, breaches, or defaults, whether of the same or a similar type or not.

28. GOVERNING LAW: This Order shall be interpreted and enforced in accordance with the laws of the State of New Jersey, exclusive of the choice of the laws thereof.

29. C-TPAT COMPLIANCE: To the extent any goods covered by this Contract are to be imported into the United States of America, Supplier shall comply with all applicable recommendations or requirements of the Bureau of Customs and Border Protection's Customs-Trade Partnership Against Terrorism (C-TPAT) initiative. Upon request, Supplier shall certify in writing its compliance with the C-TPAT initiative.

30. MISCELLANEOUS: No course of dealing of Buyer nor any delay or omission of Buyer to exercise any right or remedy granted under this Order shall operate as a waiver of any rights of Buyer, and every right and remedy of Buyer provided herein shall be cumulative and concurrent, unless otherwise expressly provided herein, and shall be in addition to every other right or remedy provided for herein or now or hereafter existing in law or in equity or by statute or otherwise. If any provision of this Order is found to be illegal otherwise unenforceable by any court or other judicial or administrative body, such provision shall be limited to the extent necessary so that it will not render this Order unlawful or otherwise unenforceable and the remaining provisions of this Order shall remain in full force and effect. This Order contains the entire agreement of the parties. No claimed change, modification, rescission or waiver shall be binding on Buyer unless in writing and signed by a duly authorized representative of Buyer.

THIS ORDER EMBODIES THE ENTIRE AGREEMENT BETWEEN BUYER AND SUPPLIER AND NO UNDERSTANDING OR AGREEMENTS, VERBAL OR OTHERWISE, IN RELATION THERETO EXIST BETWEEN THEM, EXCEPT AS EXPRESSLY SET FORTH IN THIS ORDER. NOTWITHSTANDING THE FOREGOING, IN THE EVENT OF A CONFLICT BETWEEN THIS ORDER AND A CONTRACT BETWEEN THE PARTIES FOR THE GOODS OR SERVICES CONTEMPLATED BY THIS ORDER, THE TERMS OF THE CONTRACT SHALL PREVAIL..
